Surrey British Columbia

Description

An identifiable downtown has taken shape. Surrey is fast becoming the Fraser Valley's metropolitan core. It's evolved into a centre for education, major employment, services, higher density housing, commercial, cultural, and institutional activity. The downtown core is home to a diverse population, green urban infrastructure of parks & plazas, greenways, and planted boulevards. The final build-out of Central Downtown is underway — Surrey's 3.0 era.
