Description

Livy is NorthStar's second development in Downtown PoCo. Both developments are part of a commitment to put communities first: building spaces that matter and bringing communities together. Livy's distinctive archways in red brick are a respectful nod to Downtown PoCo's historical roots and rich character. But they are designed to act as a placemaking feature creating a memorable, signature structure for the modern Downtown as it moves forward to the future, like gateways to the new Downtown.
